Mr. Harris B. Stone
Special Assistant for Intelligence
(OP-07D)
Office of Chief of Naval Operations
Navy Department
Washington, D.C. 20350

Dear Mr. Stone:

This is a tardy but enthusiastic letter of appreciation for the extraordinary presentation of Naval R&D you arranged for senior staff officers here at CIA. Most of us appreciated the enormous effort this represented, and I judge that it was largely your effort. The brief conversation we had in advance and your insight produced a briefing which was uniquely on target. Please accept our thanks, and I hope that our paths will cross again soon.

Sincerely,

[Redacted Signature]
